

EXTREME TOILET CLEANER – highly effective liquid gel designed for deep cleaning of toilets, urinals, and sanitary ceramics. Specially formulated to thoroughly remove dirt, ensuring a sparkling clean surface and a high level of hygiene.

INSTRUCTIONS FO USE:

Apply the product under the toilet rim and across the bowl walls. Leave to act for 1–10 minutes depending on the level of soiling. Scrub thoroughly with a toilet brush and rinse with clean water.

DANGER:

- Causes skin irritation.
- Causes serious eye damage.
- If medical advice is needed, have product container or label at hand.
- Keep out of reach of children.
- Wear protective gloves and eye protection.

IF IN EYES:

- Rinse cautiously with water for several minutes.
- Remove contact lenses, if present and easy to do.
- Continue rinsing.
- Immediately call a doctor.

IF ON SKIN:

- Wash with plenty of water.

Hazardous components:

- Hydrogen chloride, (Z)-Octadec-9-enylamine, ethoxylated.

Composition according to (EC) No. 648/2004:

- less than 5 % non-ionic surfactants, perfume.

UFI CODE	4889-D3S4-S003-X2DW
-----------------	---------------------

RECOMMENDED DOSAGE:

The product is intended for direct application and does not require dilution. Use a sufficient amount of product as needed to achieve optimal cleaning results.
