

FLOOR CLEANER PERFORMANCE – For cleaning machines: Intensive, concentrated, and non-foaming cleaner, specially designed for machine floor cleaning. The high content of active ingredients ensures maximum efficiency in cleaning and removing grease, even in extremely contaminated environments. Effectively removes stubborn oil and grease residues, soap scum, graphite, grime, and other industrial contaminants.

INSTRUCTIONS FOR USE:

Apply the solution using a scrubbing machine or clean manually as needed.

DANGER:

- Causes skin irritation.
- Causes serious eye damage.
- If medical advice is needed, have product container or label at hand.
- Keep out of reach of children.
- Wear protective gloves and eye protection.

IF IN EYES:

- Rinse cautiously with water for several minutes.
- Remove contact lenses, if present and easy to do.
- Continue rinsing.
- Immediately call a doctor.

IF ON SKIN:

- Wash with plenty of water.

Hazardous components:

- Alcohols, C10-12, etoxylated, propoxylated; Alcohols, C8-C10, ethoxylated propoxylated; Sodium metasilicate pentahydrate.

UFI CODE	QAW4-P0YM-500X-9XE1
-----------------	---------------------

DOSAGE:

Dilute 5–10 ml per 1 liter of water, depending on the degree of soiling.
